This course follows the rules outlined in the Honor Code, especially where plagiarism is concerned. If I suspect that any writing assignment is plagiarized, either in part or in its entirety, I am required to hand the matter over to the Honor Council. This also applies to “patching,” the practice of copying a sentence and exchanging a word or two. If you are not fully aware of what plagiarism is, ask us and/or refer to the honor code. It is your duty to be fully aware what plagiarism is. If in doubt, ask!
